

LIMITED WARRANTY

New CMC units are warranted for:

- One (1) year from date of purchase against defects in workmanship and / or materials in the **hydraulic** system
- Five (5) years from date of purchase against defects in workmanship and / or material in the **structure** assembly

This warranty means that only the parts that prove defective during the period of warranty will be repaired or replaced at our option. Cook Manufacturing Corporation will accept only parts returned for warranty pre-paid from the initial purchaser and return the repaired or replaced parts freight collect.

A return authorization number (RMA) must be issued from the factory prior to the return of defective parts. An authorization number can be requested through the internet, or by contacting customer service by phone.

Avoid tampering with the Hydraulic Actuator if a warranty claim is to be made. The warranty is void on any hydraulic actuator returned that shows signs that it has been dismantled or electrical cord set from the motor has been cut.

There are no warranties which extend beyond the description on the face hereof. No one has authority to make any representations concerning the operation of CMC units except those made in writing by Cook Manufacturing Corporation.

This warranty does not apply for any racing applications or if damage occurs because of accident, improper handling or operation, abuse or misuse.

All liability for any incidental or consequential damage is expressly excluded here from.

In order to obtain the benefit of this warranty and agreement, the warranty card found in the centerfold of the manual must be completely filled out and mailed within 30 days to Cook Manufacturing Corporation.

This warranty applies to original ownership only.
